However if after reading this certificate and wording, this insurance does not meet with your requirements, there is a 14 day "cooling off period" during which you can return it to the issuing agent, and any premium already paid will be refunded to you providing you have not travelled, no claim has been made or is intended to be made and no incident likely to result in a claim has occurred and the policy has not expired. We reserve the right to deduct from the rebate of premium the necessary costs incurred in processing the original sale and cancellation. We shall not be bound to accept renewal of any insurance and may at any time cancel any insurance document by sending 14 days notice to you at your last known address. The 'cooling off' period does not apply if you have already departed on your trip when the policy is purchased.
