Their First Steps will Always be to...

- Confirm that **You're** in a place of safety;
- Establish the best local treatment available to **You**; and

Important Note: it may affect **Your** claim if **You**, **Your** travelling companion or a doctor/nurse does not contact **Our** nominated emergency service on the number above. **Our** nominated emergency service do not cover any costs over £500 where prior agreement regarding treatment has not been obtained from **Our** nominated emergency service.

The highly experienced multi-lingual team of in-house doctors, nurses and experienced case managers will advise **You**, **Your** travelling companion, and/or **Your** treating doctor, of what steps to take.

They understand how important it is to have someone who...

They actively monitor the capabilities of medical facilities throughout the world and use this knowledge to determine whether **You** need to be transferred to a different facility. Once they are satisfied that **You** are getting the appropriate treatment, they will agree a treatment plan with **Your** treating doctor and **You**. If **You** cannot be discharged in time to continue **Your Trip** as planned, they will make arrangements to bring **You Home** at the appropriate time.

Your travel insurance policy is not a private medical insurance policy and does not cover private medical treatment, private hospital costs or other related expenses incurred unless these have been specifically agreed and authorised by **Our** nominated emergency service.

Emergency treatment means unforeseen and unplanned treatment that is needed for the sudden onset of an acute condition, which for medical reasons and in the opinion of **Our** nominated emergency service cannot be delayed until **You** return to the **United Kingdom**, Channel Islands or Isle of Man and could be undertaken in the **United Kingdom**, Channel Islands or Isle of Man if **You** were to return **Home**. The decision of **Our** nominated emergency service is final.

It is **Your** responsibility to check the latest advice from the FCDO prior to commencing **Your Trip**, which **You** can find at <https://www.gov.uk/foreign-travel-advice>.

Stop-overs in a country within a higher area are insured provided they do not exceed 48 hours in each direction.

Reciprocal health agreements

European Health Insurance Card (EHIC)/Global Health Insurance Card (GHIC)

The EHIC allows **You** to access state provided healthcare in all European Economic Area (EEA) countries and Switzerland. **Your** EHIC will be accepted for the remainder of its validity. From 4th January 2021, if **You** do not have a valid EHIC **You** will need to apply for a GHIC but please be aware that the GHIC does not cover Switzerland, Iceland, Liechtenstein or Norway. For more information or to apply for **Your** GHIC: online at www.dh.gov.uk/travellers or by telephoning 0845 606 2030.

Presenting **Your** EHIC/GHIC at a public medical facility will allow **You** to obtain treatment at a reduced cost and in many cases free of charge, provided **You** are a **UK** resident (please note if **You** reside in the Isle of Man or the **Channel Islands** **You** are not eligible for an EHIC/GHIC). **You** must carry it with **You** when travelling abroad. Remember to check **Your** EHIC/GHIC is still valid before **You** travel.

If **You** are travelling outside the EEA then there are some countries that have reciprocal agreements with the **UK** and these can be found on: www.gov.uk/guidance/uk-reciprocal-healthcare-agreements-with-non-eu-countries.

Australia/New Zealand

If **You** are entitled to reciprocal health care and require medical treatment in Australia **You** must enrol with a local MEDICARE office. **You** do not need to enrol on arrival but **You** must do this after the first occasion **You** receive treatment. In-patient and out-patient treatment at a public hospital is then available free of charge.

Details of how to enrol and the free treatment available can be found by visiting the MEDICARE website at www.humanservices.gov.au/medicare or by emailing medicare@humanservices.gov.au.

If **You** require medical treatment in New Zealand, there are reciprocal agreements, but a person may not enrol with a Primary Health Organisation (PHO). They should get the same health subsidies as a New Zealand citizen visiting a general practitioner as a casual patient, if the doctor has decided the condition needs prompt attention. For more information, please go to www.health.govt.nz or email: info@health.govt.nz

Alternatively please call **Our** nominated emergency service for guidance. If **You** are admitted to hospital contact must be made with **Our** nominated emergency service as soon as possible and their authority obtained in respect of any treatment NOT available under MEDICARE.

In the event of liability being accepted for a medical expense which has been reduced by the use of either a EHIC/GHIC, Medicare in Australia or private health insurance, **We** will not apply the deduction of a policy excess under section 2 - Emergency medical expenses.

Special Notice

We do not expect **You** to avoid alcohol during **Your Trip**, but **We** will not cover any claim arising from excessive alcohol consumption by which **We** mean where **You** have drunk so much alcohol that a **Medical Practitioner** has stated that **Your** alcohol consumption has caused or actively contributed to **Your** injury or **Illness**, the results of a blood test at the time of injury or **Illness** shows that **Your** blood alcohol level exceeds 0.19% that is approximately 1.5 litres of beer or four 175ml glasses of wine; a witness report of a third party that has advised that **You** have notably impaired **Your** faculties and/or judgement.
